## Have Your Stove Repaired.

This is to let my friends know that I will travel throughout all the surrounding rural districts of Lexington and fix stoves, beginning right after Christmas. If you have a stove that you think is ready for the junk dealer just wait till I call and see it or phone me and I will make you a brand new stove out of the old one at a very small margin of cost. You will make money to see me. "A stitch in time saves nine," is a truthful adage. So if you have your stove repaired before it is too late it will be a big saving to you. J. J. RIKARD, Lexington, S. ## Mr. Wingard in Third Primary For House Thanks His Friends for Loyalty in Two First Elections

To the people of Lexington County: The unexpected and most unusual thing has happened in our county, politics—the official count by the Executive Committee places Mr. L. W. Wise, of Pelion, and myself in a third race for the third member of Lexington's delegation in the General Assembly of South Carolina.

Here and now I want to thank every voter in the county for his support and loyalty in the two preceding primaries; and the same time, solicit their continued faith unflinching zeal in my behalf. From the depths of my heart I thank you.

I have no fight to make against my opponent, Mr. Wise; he is a splendid man and he and I have had a pleasant campaign together. There is, however, one matter I wish to call your attention to in this third race. It is this: The other two candidates who are elected—Mr. S. E. Smith, is a resident of the lower section of the county; and Mr. Shull, the other member, resides about eight miles North-west of the county-seat, leaving this community without a representative in the General Assembly. Dr. Ridgell, State Senator, lives at Batesburg. That one of these men should reside at or near Lexington, every one must admit. This would give the people of middle section an opportunity to consult with at least one of their representatives on important matters coming before the body. He could confer with the State Senator without the least inconvenience and the other two members—residing where they do—could easily get to the court during all kinds of weather conditions. The Dutch Fork is no longer in it; but I am nearer than my opponent, Mr. Wise.

The people of the county everywhere know what I stand for; they know that I am a farmer.

If I am elected, I shall do all that within me lies to represent every section and every class, honestly, fairly and squarely, ever looking to the time when our people—one and all shall be a happy and a contented people.

Gratefully yours,  
G. E. Wingard.

Lexington, Sept. 14.

San Antonio, September 6.—The main body of the provisional division of regular army troops and National Guardsmen, which left here this morning on an 83 mile "hike" to Austin, camped to-night at Wetmore, nine and a half miles north of this city. The Wisconsin brigade, which took a separate route, camped at Lnexella.

## Are You Looking Old?

Old age comes quick enough without inviting it. Some look old at forty. That is because they neglect the liver and bowels. Keep your bowels regular and your liver healthy and you will not only feel younger but look younger. When troubled with constipation or biliousness take Chamberlain's Tablets. They are intended especially for these ailments and are excellent. Easy to take and most agreeable in effect. Obtainable everywhere. Harmon Drug Co.

## Tennessee Troops to The Border

Nashville Sept. 14.—The Tennessee troops mobilized here include two regiments of infantry and a troop of cavalry and muster 2,463 men, more than ten days ago the troops received the last items of equipment. Officers and men were delighted at the prospect of going to the border. It was estimated here it would take three days for troops to entrain. They are to move wherever trains are provided.

## Colds

should be "nipped in the bud", for if allowed to run unchecked, serious results may follow. Numerous cases of consumption, pneumonia, and other fatal diseases, can be traced back to a cold. At the first sign of a cold, protect yourself by thoroughly cleansing your system with a few doses of

## THE DORF'S BLACK-DRAUGHT

the old reliable, vegetable liver powder.

Mr. Chas. A. Ragland, of Madison Heights, Va., says: "I have been using The Dorf's Black-Draught for stomach troubles, indigestion, and colds, and find it to be the very best medicine I ever used. It makes an old man feel like a young one."

## Card of Thanks

I take this opportunity to express to the voters of Lexington County my high appreciation for the handsome vote I received for County Commissioner, in the second primary election. To those who so loyally supported me, I shall ever be grateful, and those who saw fit to support my opponents, I still have the highest regards. To both friends and foe, it shall be my highest aim to work for the best interest of all the people in the County. I am at all times ready, and stand for the betterment of our county, from which I was born and lived all my life.

Again thanking all the people for their confidence in me, (and ask) one and all come to my home where we can sit down and reason together, not on a hurried campaign which has come to a close for County Commissioner,

From your servant,  
S. Rufus Smith.  
County Commissioner.

## GIRL COULD NOT WORK

How She Was Relieved from Pain by Lydia E. Pinkham's Vegetable Compound.

Taunton, Mass.—"I had pains in both sides and when my periods came I had to stay at home from work and suffer a long time. One day a woman came to our house and asked my mother why I was suffering. Mother told her that I suffered every month and she said, 'Why don't you buy a bottle of Lydia E. Pinkham's Vegetable Compound?' My mother bought it and the next month I was so well that I worked all the month without staying at home a day. I am in good health now and have told lots of girls about it."—Miss CLARICE MORIN, 22 Russell Street, Taunton, Mass.

Thousands of girls suffer in silence every month rather than consult a physician. If girls who are troubled with painful or irregular periods, backache, headache, dragging-down sensations, fainting spells or indigestion would take Lydia E. Pinkham's Vegetable Compound, a safe and pure remedy made from roots and herbs, much suffering might be avoided.
